There were 9 people in attendance.

The Clerk read the legal notice as published in the official newspapers.

Zackary Baker of the Economic Development & Planning Department spoke. "This year we received two requests from the Town of Tioga and the Town of Newark Valley for 74 acres of active agricultural land to be added to our County Ag District. The land is currently being used for grain and maple syrup production so it is viable agricultural land. The Ag and Farmland Protection Board has met and recommends to the County Legislature that this modification be approved."
