- NYSDOT met with county chiefs at their last meeting to discuss traffic safety and the significance of road closures. DOT's position is that they need to get the roads open as soon as possible after fire activities are concluded. Joy Bennett, presented the following information to the committee. Report is attached.

RESOLUTION:

- Transfer of Funds and Modify 2019 Budget

The Legislators present have no problems with moving these resolutions on; committee agreed to move these forward.

HIGHLIGHTS:

- County cars – Probation has four county cars (two Chevy Malibu each with around 140K miles. Ford Focus transmission needs replacement – beyond warranty. 2018 Ford Escape – blown engine. Been at the dealership since August 26th. Al advised waiting for parts. Both Chevys have all rotors replaced. Received another 2012 Ford Focus from Al that was for the Legislators to use if they needed it.
- Raise the Age Plan – the county received almost \$90k from the state except \$283.00. Director stated to the state said the reason for the \$283.00 was because the product was purchased before 4/1/18. A copy of a memo from DCJS/OPCA was shared with the financial people and after several emails the state advised that Tioga is the first county to claim this, and the state needs to figure out how to reimburse it. Probation reviewed a Webinar on auditing RTA claims. We need a clear audit trail for all claimed expenses especially with claiming ½ salary of an Office Specialist I.
- RTA – 10/1/2019 17 year olds charged with a Misdemeanor will be issued JD Appearance Ticket to Probation, 17 year old charged with Felonies will be arraigned in Youth Part. OCA is not going to pay Tioga's two approved Justices for RTA arraignments afterhours – they advise this is a voluntary position. DCJS was advised of this situation that happened in August and they advised they would be in contact with OCA about this.
- Bail Reform – Defendants that are currently in jail or on RUS will need to be evaluated by 1/1/2020 for probable release to be in compliance with new law. Judge Keene advised that Probation would send court a list of felony level defendants currently on PTR in December for court to review for release. A similar list will have to be sent to every Justice court that has released a defendant into PTR also.
- COTI – both COTI programs are going well.
- e-Connect Program by Columbia University, using a tablet we are screening all JD youth coming through the department for suicide and substance abuse needs. We had a higher risk youth last week. Could not follow protocol to contact MHC as youth was already engaged with a therapist. We advised the therapist of suicide risk and explained the protocol.
- CAP – waiting for court dates. This will impact PTR.
- Submitted the New York State Pretrial Release Services checklist questionnaire for the county after reviewing it with the chair of the Leg. Public Safety Chair was cc'd on the email of the submitted document to OCA. OCA was advised that the county will provide no judicial decision aid to courts effective 1/1/2020. OCA was further advised that Tioga County will not be providing Electronic Monitoring services to the courts for PTR as there are no companies in NYS that meet the statutory requirements.
- ATI funding we expect to get reduced funding for PTR as it is a performance based, meaning we must meet the goals established by DCJS to get funding which is \$5,175. Half the program year will be under the old standards.
- Electronic Monitoring – 3 units in use. One of those units is on PTR case on a DV case. The defendant cut off the unit, court and local police notified.
- Community Service – crews scheduled for Saturday and Sundays
- Pre-Trial Release – we have 31 defendants released – 9 released RUS and 22 released PTR.
- Juvenile Delinquency Services – 2 JD Appearance Tickets for the month of September. One Felony charge of Criminal Mischief and one Misdemeanor. The youth charged with a Felony is open for diversion services. Youth charged with Misdemeanor has an intake appointment today (10/8/2019).
- Alternative to Detention Planning – Cayuga Counseling program for juvenile is operating and working with Tioga County youth. Two part-time employees have been hired and are working out of the Probation Department. They are being paid with the RTA Plan.

- Chairperson Marte Sauerbrey stated there is going to be a meeting on Bail Reform with Probation, DA, county Attorneys, and Sheriff to have a plan in place.

SHERIFF – Wayne Moulton, Undersheriff, on behalf of Gary Howard:

Undersheriff Wayne Moulton, presented the following information to the committee. Report is attached.

Budget:

- Jail Medical Expenses over Budget. Sheriff Howard will need to move money to cover. He will discuss at November's meeting.

RESOLUTION:

- Authorize 2020 Contracts with SADD School Associates STOP DWI
- Appropriation of funds 2019 Homeland Security Grant (SHSP) modify 2019 Budget Office of Emergency Services and Sheriff's Office
- Approve 2019-2020 STOP DWI Plan
- Authorize Acceptance of 2020 NYS PTS Grant (PTS-2020-Tioga Co SO-00348-054) Appropriation of Funds and Modify 2019 Budget Sheriff' Office

The Legislators present have no problems with moving these resolutions on; committee agreed to move these forward.

- Labor issues – Correction Officers filed a grievance about them being fed. They won their grievance. Negotiations has begun for the TCCA.
- Litigation Issues – One case is still active. Trial was set for September 16th and now to restart October 29th.
- Average daily inmate population for the month of September 2019 was 68.

They did the following: picked up trash (58 bags) on Route 17c Owego and Halsey Valley Road; cleaned the Tioga County Fairgrounds; painted at the Tioga County Boy's and Girl's Club; Lawn work at the Richford and Waverly Cemeteries and the two county towers (Spaulding and Popple).
- CAP court – Buildings and Grounds fixed the awning. Undersheriff Moulton stated that when he was on the Town of Owego Board (he has since resigned from) they have set aside money for the CAP court.

- Passed around the health service break down for the months at the Sheriff's Office to all the County Legislators that were present.

Public Safety Committee Meeting
 Probation Department Report
 October 8, 2019

Article I. Budget Status:

2019 budget on track

Issues:

1. County Cars- Probation has 4 county cars- Two Chevy Malibu each with around 140K miles on them, a Ford Focus with around 98K miles and the new Ford Escape SUV. In the last month, all four cars have had mechanical problems.
 Chevy Malibu #1- all 4 rotors replaced
 Chevy Malibu #2 – all 4 rotors replaced
 Ford Focus- transmission needs replacement – beyond warranty
 Ford Escape – “blown engine” Vehicle is under warrant and has been at the dealership since August 29th. Al is advising us the dealer is waiting for parts to repair the vehicle.

 The original Ford Focus has been removed and a new to us, 2012 Ford Focus was delivered on 10/4
2. RTA plan – First voucher was submitted and approved by DCJS except for \$283. County has now received almost \$90K in funds from Raise the Age. Subsequent vouchers will be submitted but for only small amounts for i-pad services and any OT claimed. We have been advised we will need to create a clear audit trail for all claimed expenses; we are trying to make sure we have this covered.
3. Now that we have received funding, DCJS is requesting quarterly data reports for youth involved in services paid for by RTA funding.
4. RTA- final phase began 10/1/19, this second phase of the legislation has always been expected to have the larger impact on Departments as it involves 17 year olds. 17 year olds charged with Misdemeanors will be a JD appearance ticket to Probation, 17 year olds charge with Felonies will be arraigned in Youth Part.

5. In August 2019, we had a juvenile picked up by Sheriff's office after hours, Deputies advised youth needed to go to detention. Youth had been in non-secure detention a few day previous and was released by the Judge. Due to a new arrest, TCSO felt the youth needed to go to Secure detention afterhours. Under the new regulations the detention facility advised they would not accept the youth unless it was court ordered. Probation implemented the RTA afterhours plan crafted with the 6th Judicial District. The following people were called and asked to appear in Town of Owego Justice Court at 9:30pm: County Attorney, Attorney for Child, parent, LE with youth in custody, Justice Hogan, Probation Supervisor and Director. Hearing was held and youth was remanded to secure detention and matter was transferred to Family Court the next am. Current status: OCA is not going to pay Tioga's two approved Justices for RTA arraignments- they now advise this is a voluntary position. Attorney for the child is paid by OCA, just not the Justice. This may become an issue in the future if an after-hours arraignment is requested. DCJS was advised of this situation they advised they would be in contact with OCA about this.
6. Bail Reform- Presented training at NYSAC on this topic. Defendants that are currently in jail or on RUS will need to be evaluated 1/1/20 for probable release to be in compliance with new law. Law mandates that almost all misdemeanors and most felony arraignments will result in release of defendant –ROR status. Judge Keene advised that Probation would send court a list of felony level defendants currently on PreTrial in December 2019 for Court to review for release. A similar list will have to be sent to every Justice Court that has a defendant on PreTrial as of December as well.
7. Probation is continuing to work with both COTI programs in completing substance abuse evaluations at the Probation Department as well as remaining in contact with the Trinity program in the Jail. ACBC comes to the Department on Mondays, Wednesdays and Fridays. Trinity comes on Tuesdays and Thursdays. They are available to talk to probationers or to complete Drug/Alcohol evaluations, helped to arrange for insurance coverage and meet with a peer. Defendants are also referred to ADS.
8. We are implementing e-Connect Program by Columbia University, using a tablet we are screening all JD youth coming through the Department for suicide and substance abuse needs with the GAIN-SS product. The youth will be scored with seriousness of their needs. We have a protocol worked out with the Mental Health Clinic for how youth will be referred depending on their score on the assessment tool. Had a higher risk youth last week- Class II. Could not follow protocol to contact MHC as youth was already engaged with a therapist at Greater Binghamton Health Center and parent wanted only that therapist contacted. Tried immediate telephone contact, office would not transfer call. Requested call back from therapist, this was done approx. 2 hours later. Advised therapist of suicide risk and explained protocol of contact with youth w/in 72 hours, therapist laughed, made appt. for 6 days later, therapist agreed to screen for suicide then.
9. Keeping appraised of CAP court start date as it will impact Pre-Trial Release program.
10. Submitted "New York State Pretrial Services Checklist" questionnaire for the county after reviewing it with the Chair of the Leg. Public Safety Chair was cc-ed on the email that submitted the document to the Office of Court Administration. OCA was advised that Tioga County does not have sufficient staff, software or funding to fulfill the statute requirements. OCA was further advised that the county will provide no judicial decision aid to courts effective 1/1/20, as the assessment tool and questionnaire used by PTR is not empirically validated and regularly re-validated and the state has not provided one that is. Finally, OCA was advised that Tioga County will not be providing Electronic Monitoring services to the Courts for PTR defendant effective 1/1/20 as there are no companies in NYS that meet the statutory requirements. (We can still use EM as a condition of probation for adults and youth however)
11. ATI funding we expect to get reduced funding for PTR as it is performance based, meaning you must meet goals established by DCJS to get funding. Due to Bail Reform very few Misdemeanor cases will be placed in PTR, this will affect our funding. The ATI program year is 7/1/19-6/30/20, so half the program year will be under the old standards. Revenue from program is \$5,175.

ATI Programs:

- ❖ Electronic Monitoring – 3 units in use as an alternative to incarceration detention (ATI). One of those units is on a Pre-Trial Release case on a DV case. Unit was cut off, court notified, local police notified.
- ❖ Community Service –Crews scheduled for Saturdays and Sundays.
- ❖ Pre-Trial Release – Pre-Trial Release –currently have 31 defendants released from Tioga Co. Jail by a Justice Court or the County Court:

- 9 are released RUS meaning they report in person weekly to the Department and follow court orders for urine testing, alcohol/drug evaluations, etc.
- 22 are released PTR meaning they telephone in weekly to the Probation Department to report any changes in their address or status.

Juvenile Delinquency Services:

2 Juvenile Delinquency Appearance Tickets were received in September 2019, one for a felony charge of Criminal Mischief and one for a misdemeanor charges. The youth charged with the felony is being opened for diversion services the youth charged with the misdemeanor has an intake appt scheduled for 10/8. The youth charged with the felony scored a Class II on e-Connect.

YTD: 23 JDAT received during 2019 (23 total cases in 2018)

Alternative to Detention Programing: Cayuga Counseling program for juvenile is operating and working with Tioga County youth. Two part time employees have been hired and are working out of the Probation Department. They currently have 8 open cases, the contract limit.

Court Ordered Investigations: 60 investigations for Tioga County courts (Criminal, Family and Surrogate) are due in the next 60 days.
