

Acknowledgement of Fiduciary Duties and Responsibilities

As a member of the Authority's board of directors, I understand that I have a fiduciary obligation to perform my duties and responsibilities to the best of my abilities, in good faith and with proper diligence and care, consistent with the enabling statute, mission, and by-laws of the Authority and the laws of New York State. The requirements set forth in this acknowledgement are based on the provisions of New York State law, including but not limited to the Public Authorities Reform Act of 2009, Public Officers Law, and General Municipal Law. As a member of the board of directors:

I. Mission Statement

I have read and understand the mission of the Authority; and the mission is designed to achieve a public purpose on behalf of the State of New York. I further understand that my fiduciary duty to this Authority is derived from and governed by its mission.

I agree that I have an obligation to become knowledgeable about the mission, purpose, functions, responsibilities, and statutory duties of the Authority and, when I believe it necessary, to make reasonable inquiry of management and others with knowledge and expertise so as to inform my decisions.

II. Deliberation

I understand that my obligation is to act in the best interests of the Authority and the People of the State of New York whom the Authority serves.

I agree that I will exercise independent judgment on all matters before the board.

I understand that any interested party may comment on any matter or proposed resolution that comes before the board of directors consistent with the laws governing procurement policy and practice, be it the general public, an affected party, a party potentially impacted by such matter or an elected or appointed public official. However, I understand that the ultimate decision is mine and will be consistent with the mission of the Authority and my fiduciary duties as a member of the Authority's board of directors.

I will participate in training sessions, attend board and committee meetings, and engage fully in the board's and committee's decision-making process.

III. Confidentiality

I agree that I will not divulge confidential discussions and confidential matters that come before the board for consideration or action.

IV. Conflict of Interest

I agree to disclose to the board any conflicts, or the appearance of a conflict, of a personal, financial, ethical, or professional nature that could inhibit me from performing my duties in good faith and with due diligence and care.

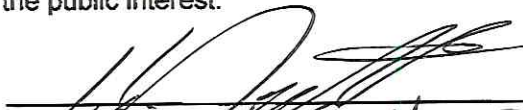

I do not have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity or incur any obligation of any nature, which is in substantial conflict with the proper discharge of my duties in the public interest.
